Akilu

Akilu is a farmer in Ethiopia (in Africa). Over the last few years Akilu has noticed that there have been more and more droughts. So this year, Akilu planted lots of different crops, hoping that a couple of them would survive the drought. Every day Akilu wakes up and looks at the sky, hoping to see rain, but so far there has been none. Akilu's crops have one-by-one begun to die. Akilu can no longer feed his family with his crops, and he can't sell them to buy other food either. Akilu is struggling to feed his family.

Akilu and his family are hungry because of _____ and _____.

Samantha

Samantha worked as a waitress in a hotel restaurant. When Covid-19 forced the UK to go into lockdown and hotels and restaurants shut, Samantha lost her job. All of a sudden Samantha was no longer earning money to pay for food.
